EXPERIENCE

- Nov 2016 - Feb 2018
- IHS Markit**
ASSOC. DIRECTOR, PRINCIPLE UX/UI DESIGNER
 Provided design oversight & leadership for all team deliverables, particularly visuals. Key contributor in the establishment of new modern design language & global pattern library. Oversaw overhaul of flagship Energy products leveraging new pattern library. Spearheaded unification efforts to bring new design language to mobile platform and new Upstream intelligence mobile app.
- Jan 2013 - Nov 2016
- IHS**
MANAGER, UX CREATIVE TEAM
 Assumed role of UX visual design lead & manager of junior visual designers. Oversaw visual design outputs & mentorship of junior designers while establishing design eco-system for Energy products. Delivered on Energy's first mobile products and new cutting-edge map-based Upstream web application.
- Oct 2011 - Jan 2013
- IHS**
UX DESIGNER
 Founding member of UX team for IHS Energy; worked with director to grow multidisciplinary team and assisted in UX evangelism within the company. Collaborated with team of UX professionals & business leads to provide creative solutions for complex oil & gas industry web & mobile apps.
- Apr 2011 - Oct 2011
- Culture Pilot**
UX DESIGNER/FRONT-END WEB DEV
 Provided UX interaction/visual design, front-end web development, logo design, & print material design in a fast-paced forward-thinking design agency. Notable clients included The History Channel, E!, & Houston Wilderness.
- Jun 2003 - Oct 2010
- US Interactive**
JUNIOR TO SENIOR DESIGNER
 Responsible for creating Flash-based e-learning courses. Focus on Flash animation, web/UI design, A/V editing, logo design, print design, and front-end development.
- Jan 2008 - Present
- FREELANCE UX/VISUAL DESIGNER**
 Freelance design services to a variety of interesting projects & clients on a case-by-case basis. Focus on UX consultation & visual design for web, print, logo, & brand design with a bit of front-end development.
- Nov 1999 - Feb 2003
- Associated Building Services**
DESKTOP SUPPORT ANALYST/WEBMASTER
 Part time helpdesk support, intranet webmaster, server maintenance, & PC repair.
